Walkers
during the
whole week.

A huge 'thank you' to everyone who has supported our 'Walk to School Week. The children were proud to wear their badges and I managed to wear mine on four occasions! We hope you enjoyed plotting your route on the map and we would like to congratulate all those parents and children who managed to park further away from school and walk some of the way. Mrs Hockenull led some children on a 'walk around school' today to give everyone the chance to wear a badge.

whole week.

H.S.A.

Another huge 'thank you' to everyone who made the recent Retro Game Night such a huge success. This includes the organisers, sponsors of the event and of course all the contestants and their supporting audience. The atmosphere was fantastic and a great time was had by all - don't miss next year's special social event.

The H.S.A. are delighted with the £1030 they raised. This money will be used to buy additional musical instruments for school, benches for the playground and a contribution towards the refurbishment of the Millennium playground that we are planning.

Thank you to Mrs Perry and Mrs Wake who helped the children begin some planting this week. Your challenge is to identify all the plants! They are also hoping to begin a gardening club on a Wednesday after school so if any one is interested in taking part in this please let me know. As many of the children are involved in project work on living and growing during the next half term our new garden area will be very relevant for them.

If you are gardening over the holiday and find that you have some spare bedding plants please remember us as we can always find a home for them.

Next Term

A party for the Reception children is being organised by the H.S.A. for Friday 27th June. Please look out for further information.

Open Evening - Thursday 10th July

As many parents enjoyed this event last year we are holding it again. The school will be open from 5:30pm - 8:00pm so the children can show you around their school and you will also be able to collect their journal on that night. The H.S.A. are serving refreshments during the evening.

Family Activity Sunday June 22nd

How well do you know your town?

Linking in with our Echoes project we are organising a Warrington Town Trail to help us get to know Warrington Town Centre and its history better. For an entry fee of £5.00 per family, you will be given a map, a trail quiz and a few photos to compare Warrington 100 years ago with the centre we know today. The challenge is to solve the clues, find all the places of interest, follow the trail, count the lions and earn the certificate at the end. The trail begins and ends at the Town Hall and we are hoping that the weather will be warm enough to enjoy an end of trail gathering on Bank Park. So please bring a picnic.

We are aiming to meet by the Golden Gates and set off between 1:30pm - 2:00pm. Parking is available in the car park near the town hall and also in the main Golden Square car park. It is free on a Sunday.

So, if you are interested in joining us on this event please put the date in your diary and look out for further information at the beginning of next half term.

Sports and Summer Fair will take place on 4th July and we will be asking for help for this occasion. Please look out for further information early next half term.

School re-opens on Monday June 9th. We all hope you have a very happy half term.
