

The Home School Association Newsletter

July 2006

Home School Association

The HSA has had its first two meetings which were well attended and there are plans for fundraising events in the Autumn term. All parents are automatically members of the HSA and are most welcome to the meetings and to help with events. The next meeting is on Tuesday 26th September at 8pm in the school. Minutes of the meetings are put up on the school and nursery notice boards and on the school website. The HSA has a representative for each class - these are shown on the latest minutes - though there are still two vacant posts and we are looking for parents with children in Class 9 and Class 12 next year to be reps.

Yummy Mummy Cake Stall and Non-Uniform Day

There is to be a non-uniform day on 22nd September, when all pupils can pay £1 to take part. Money raised will go towards the Home School Association (HSA). Also, as it will be Yummy Mummy Week there will be cakes for sale that day at 3pm on stalls run by the HSA in aid of the CLIC Sargent childrens' cancer charity. Cake donations (homemade or bought) are required of course - more details in September.

Recycling Old Uniforms

The HSA also plans to collect and resell school uniforms no longer required. So if your little ones aren't so little any more any outgrown items could find a new home. Please save any items that are nearly new (no rags please). More details in the Autumn term.

End of Autumn Half Term Party

The HSA is planning to hold a party at the end of the Autumn half term for all children. Any volunteers to help with organisation please contact Sue Woodhouse or any one of the HSA reps.
