INVESTOR IN PEOPLE

Dear Parents,

Thank you for your continued patience and support during the roadworks, which I hope will soon be over. Last week, I met with Craig Hunter and Lesley Paterson from the Local Authority's Travel Plan team, who recognize that we are doing our best to address the issues of traffic congestion during the morning and afternoon sessions. Three parents have expressed an interest in developing Walking Buses but they will need additional parental support for them to be successful. If you are interested in taking part in a Walking Bus from either Broomfields School, Bethesda Church or Stockton Heath please sign and return the form below. Craig and Lesley are holding a meeting to discuss establishing a Walking Bus scheme on Wednesday 30<sup>th</sup> April at 9am and again at 7pm for anyone interested. Again, please sign the proforma enclosed.

In addition, the governors are considering opening another entrance into the school grounds. However our initial investigation has shown that this would be a potentially expensive option so we would be interested to hear your views. The proposed new gates would either be between the bungalows, opposite the shops on Bridge Lane or through the Wild Garden, opposite Farm Lane/ Hayes Lane. Both have their advantages and disadvantages and neither would be cost effective if they are unused. I would be very grateful if you could sign and return the proforma to indicate if these entrances would be of any help to you on your journey to school.

Our next 'Walk to School Week' is later in May and I will send more details about it in due course.

Thank you for your continued help and consideration.

Yours sincerely

Yvette Blake
